AN INTERCESSORS FOR AMERICA PRAYER GUIDE

PRAY for these leaders to recognize their own inadequacy and seek the will of God. (Prv 3:5-8)

PRAY that they would fear God and that God would be glorified through their actions. (Prv 9:10)

PRAY that the idols of Washington, D.C. would be struck down, and only the one true God would be honored. (Is 42:8-9)

PRAY for God's will to be done in our nation, and that our leaders would honor biblical values in their rulings, laws, and decisions. (Mt 6:10)

PRAY that any hidden agenda, deception, or subversive action would be brought to light and not profit. (Jer 7:8)

PRAY for God's glory and presence to affect Washington, D.C. and our government in greater measure, that light will displace the darkness. (Is 60:1-2)

PRAY that any spiritual battle that wages in the Administration and its offices would result in a victory against any plans of the Enemy. (Eph 6:12)

PRAY that these leaders would encourage religious freedom so that our nation may be free to follow the Lord as it says in Scripture, "*Blessed is the nation whose God is the Lord, the people whom he has chosen as his heritage!*" (Ps 33:12)

PRAY that these leaders would have humility as they recognize that God has given them any ability they have, and that their lives should be lived in honor to the Lord. (Jas 4:10)

PRAY for protection from temptations to seek power, follow evil, and empower ungodly principles through the overcoming power of Christ. (Prv 16:25)

PRAY for strength to do what is right even if they see that it is not popular. (2 Tim 1:7)

PRAY that they would seek a community of believers to uphold them in prayer, encouragement, and accountability (Is 33:6)

PRAY that any ungodly plans put forth would encounter a spirit of confusion in its planning and would not come to fruition. (Mt 6:33)

PRAY that those hidden servants of God, Christ-followers within our nation's government, would be protected, elevated, and guided as they serve our nation and the Lord. (Ps 91)
