## The National Day of Prayer – Thursday May 6, 2021 – PRAYER ALERT

Everyone is welcome to join in the [Virtual Celebration](#) for this year's National Day of Prayer. Since 1952, this is a special day set aside – *by law* – when Americans are urged to pray for their country.

As citizens and residents of the United States and as believers in Christ Jesus, we not only have a *spiritual responsibility* according to 1 Timothy 2:1-2 to pray, but a *civic duty* as well to stand in the gap for our nation when it matters most. Who but God's people can enter the very throne room of Heaven with *prayers and petitions!*

Scripture tells us again and again that **our fervent prayer is effective**. That our loving God responds to His children's earnest pleas in mighty ways that avail much, and ultimately determine the course of history.

We *invite* you and *encourage* you to [join in prayer](#) on this special day [from the comfort of your own home](#)! Our observance will be held on a Zoom call this year. It will be a day and evening of Prayer and Worship for our Nation.
